### MISS BISHOP IS WINNER OF TROPHY IN METROPOLITAN

New York, May 19.—Although more than 50 women started in the one day tournament under the direction of the Women's Metropolitan Golf association at the Apawamis club yesterday, only 20 returned cards.

The best of these was that of Mrs. H. B. Montgomery of the home club, with 109-12-97, which captures the net prize. Miss Georgianna Bishop of Brooklawn, former holder of the national and metropolitan titles, returned the best gross, 100-1-99, which score points toward a trophy to be presented by the association to the woman having the greatest number of low gross scores to her credit at the end of the season. Her card follows:

Out, 6 5 5 7 4 5 6 3 10-52  
In, 6 5 5 5 5 4 6 4-48-100

### Regularity

Regularity is a strong defense against sickness. An occasional half glass of Lash's Bitters keeps digestion and bowels working regular as a watch. And it's hard for disease to get a foot-hold under such conditions.

Lash's is not only a laxative—it's a splendid tonic for digestive organs and bowels. It strengthens and invigorates while it works. Many a man has kept in pink of condition for years, by simply taking a half glass of Lash's Bitters at the first sign of irregularity.

### WHALEN IS ON WAY FROM MOBILE TO JOIN BRIDGEPORT

Infielder Byrne Released By Locals When Wright Refuses To Come Here

(By Wagner)

The Bridgeport management announced this morning that Mobile of the Southern league had wired that Shortstop Fenton Whalen was on his way to join the local club. He is coming here in place of Doherty, who refused to come north and has since been suspended. Whalen has been with Mobile all season. The Mobile manager praises him highly and is so confident of the player's game that he made good that he says Bridgeport needn't pay a cent of the purchase money unless the local management is satisfied with Whalen. He is expected here for Sunday's game with New London at Newfield.

Manager Ball also telephoned from Lynn this morning that Pitcher Dye from Toronto would report Saturday. He said he had heard nothing from Pitcher McQuillen, also a Toronto farmhand. Infielder Byrne was released by Bridgeport this morning following word from Toronto that the trade for Infielder Wright was off. Wright refused to come to this city. He said he had been ill and was afraid he couldn't do himself justice.

Danny Hoffman has been working out in this city and says he will positively play against New London Sunday. The former big league outfielder ought to strengthen Bridgeport in hitting. Outfielder Powers, who played against Worcester yesterday, is the player from Boston who was mentioned yesterday. He managed to get one hit. It has been decided to start Sunday's game at 2:30.

Mike Gibbons has apparently queer-ed himself for good with New York boxing fans. The spectators jeered him last night because he did not appear to be doing his best in his bout with Ted Lewis.

It was quite a shock to Detroit fans when Manager Jennings announced that Sam Crawford would be used only as a pinch hitter until he could show a little speed. Crawford has been ill this spring. But the fact that the Tigers have just lost four straight may cause Jennings to change his mind.

Donald Blodgett, son of Dr. Henry Blodgett of this city, was tapped for Wolf's Head, one of the famous Yale societies yesterday. Blodgett has been a member of the varsity football squad for several years and will probably be a regular next season.

Jake Boules came through with a hit in Worcester yesterday and so did Manager Ball. First Baseman Bob Thompson also contributed his daily bingle.

Hugh Fullerton, the Chicago baseball expert, forecasted a few months

ago that Alexander's arm was gone. The Phillies' star must be an armless wonder for he continues to reel off the victories. He blanked the Pirates yesterday.

One of the cheering features about Bridgeport's defeats is that the club is playing a much better fielding game than at the start of the season. Another errorless game was turned in yesterday in spite of the heavy batting of Worcester.

Tommy Downey is beginning to clout for Lowell. He contributed two safeties and accepted 10 fielding chances for Harry Lord's team yesterday.

The annual dual regatta between the Cornell and Harvard crews takes place tomorrow at Cambridge. The Ithacans generally win from the Crimsons on the water.

### WALNUTS TO PLAY IN SEYMOUR NEXT SUNDAY

The Walnuts will go to Seymour on Sunday where they will play the Riverside A. C. team. The latter is the representative team of that place and always have a fast team. The Walnuts will be accompanied by a large number of their followers on this trip, which will be made by auto bus. The start will be made from the corner of Park and Railroad avenues at noon.

The Walnuts will lineup as follows: O'Neill, R.; Matheson and Norton, cf.; Chordas, ss.; Larkin, rf.; Moore, 2b.; Morrissey, 2b.; Garrity, 1b.; Martin, c.; Imhoff and Barrett, p.; Robinson, Hulton and Belton, utility. Last season the Walnuts defeated the Riverside by the score of 3 to 2 and are the only team to win over them in the last few seasons.

Sunday, May 28, the Walnuts will play the King Pins at the South End flats.

### Japs Raise Dock That Germans At Tsing-Tau Scuttled

Tien-Tsin, May 18.—The big floating dock at Tsing-tau, which the Germans sank together with their warships just before the surrender of the forts to the Japanese, has been raised by the Japanese and will soon be taken to Saseho, Japan.

A heavy earthquake occurred along the east coast of Italy.

Standard Oil Co. of Kentucky declared the regular quarterly dividend of \$4 a share and an extra dividend of \$1 a share.

### INDUSTRIAL AND FACTORY LEAGUE CONTESTS TOMORROW

Games To-morrow.  
American Chain vs. U. M. C., at No. 1 diamond, Seaside park.  
Singers vs. Loco at Crane field, West End.  
Arms vs. Crane Co., at Wheeler's lot.

### DOING THE CIRCUIT With "Old Man Grump."

No, dear readers, the American Chain aggregation led by Mike Healy, is not a representative of the Soldiers' Home, even if "Toots" Slattery has signed up with this nine. "Toots" will make a gallant attempt to come back when he will cover the dizzy corner for the Chain nine tomorrow at Seaside park. It is sufficient to say that if the old boy is as good as he was in the Park City league two years ago he will prove a valuable addition to the Chain Co. team.

The Chain team will present a formidable appearance when they tackle Tom McCann's bucking bronchos at Seaside park tomorrow. Healy has signed up McCarthy, formerly with the Arms nine and at one time star keystone man on the Lewiston, Me., team. Daily from Yonkers, N. Y., and at one time adorning the bench of the Chicago Cubs, will cavort about the outfield.

Where is Fritzzy Antone? Some people say he is mixing fulminate in the U. M. C. factory, but we doubt that. In the first place, if Fritzzy were

in the factory Tom McCann would find him; then, again, maybe Tom doesn't care to see Fritzzy. In the second place it would be foolish to trust Fritzzy with that stuff that terrorizes East Bridgeport about every two weeks when it goes off.

The directors of the Industrial league were fortunate when they succeeded in having Francis P. Donegan remain as official scorer. Francis has followed the game since he first wore knickerbockers. He learned the art of keeping scores on the lots of East Bridgeport and the boy was some clouter with the bludgeon. Who of the youngsters in East Bridgeport does not remember "Home Run Donegan?"

At a special meeting of the directors of the league held last Tuesday night the franchise of the Harvey Hubbell and the Lake Torpedo Boat companies were forfeited. The teams are no longer affiliated with the Industrial league.

### UNABLE TO OBTAIN CHIP FOR COMING BOXING CARD HERE

Ira Hollis, matchmaker for the Black Rock A. C., made an effort to get former champion George Chip for the show to be held at the Casino May 25. He communicated with Jimmy Dime, who represents Chip, but was told that Chip hurt his left hand in his bout here with Sailor Grande. An X-ray examination showed that the injury is severe enough to keep Chip idle for a while.

Matchmaker Hollis has been urged to put on Young McAuliffe in the star bout and is now looking for a suitable opponent. Red Cap Wilson, the New York state boy who recently came to this city, may get the chance to tackle McAuliffe. Wilson has met all the top-notchers and those who have seen him in action at Levinsky's camp say he can hold his own with McAuliffe. It is expected that arrangements for the star bout will be completed in a few days.

Standard Oil Co. of Kentucky declared the regular quarterly dividend of \$4 a share and an extra dividend of \$1 a share.

### GIBBONS DEFEATS LEWIS BY GREAT DEFENSE TACTICS

New York, May 19.—Mike Gibbons, the master boxer of the middleweight division, gave Kid (Ted) Lewis of England a lesson in boxing at Madison Square Garden last night. Gibbons, always on the defensive, so baffled Lewis with feints, counters, and shifty footwork that for eight rounds the Britisher backed away from Gibbons' imaginary attack.

Seldom has a New York crowd seen cleverer boxing than Gibbons showed against Lewis last night. Lewis tried hard and in the eighth round he rallied and pounded Mike a few times on the face and head. Lewis' rallies, however, meant little in the fact of Gibbons' great defense in the other rounds.

To the crowd which went to Madison Square Garden the bout wasn't what was expected. It was believed that Kid Lewis, with his swift foot work, would make Gibbons step a bit, but it just happened that Gibbons knew more tricks of the ring business than Lewis ever dreamed of.

Gibbons didn't try to knock Lewis out, but just played a safe defensive game, which brought into play all the best tactics of defensive fluticuffs.

For five rounds Gibbons made Lewis take back water with bluff tactics. He did not try to hit him. He feinted and countered so much that Lewis was in a puzzle, and when his face got in the way Gibbons cut it sharply with left jabs.

Lewis' jumping-jack tactics, which were so effective against other opponents, were not of much avail against Gibbons. Gibbons was Lewis' master from the start, and defeated him without half trying.

### FAULTY PITCHING BEATS BRIDGEPORT

Worcester, Mass., May 19.—The Worcester club has a bunch of heavy hitters as Pitchers Gearin and Reiger of Bridgeport learned to their sorrow yesterday. Both hurlers were batted freely and Worcester took an easy game by 9 to 1.

Manager Ball's players displayed great steadiness in the face of the bombardment. They played a serious ball, which is rather difficult when base hits are shrieking about. Ball and Boules were clever in the field and with the bat too.

Van Dyke, the veteran southpaw, moved Bridgeport down with great regularity. Manager Hamilton had been trying to trade him to Scranton, Pa., for an infielder but Van Dyke refused to go. He said he would prefer to take a job with the Remington Arms Co. in Bridgeport. The chances are that Van Dyke won't be traded now.

Bridgeport's only run was made in the sixth. Ball was passed. Odell fled to Magee and Ball took second when Magee threw wildly in an effort to make a double play by setting the ball back to first. Cooney made a wild heave on Edwards' grounder and Ball counted.

Gearin started for Bridgeport and lasted five innings. He was lammed for seven runs and 11 hits. Taylor Reiger worked in the latter part of the game and was also tapped freely. Today Bridgeport plays in Lynn. The score:
